Course catalogues

This page allows you to access departmental and faculty course catalogues with information about degree requirements and instruction.

Catalogues may be available for a faculty, department or major subject.

Please begin by selecting the faculty whose catalogues you wish to access.

If the name of the department is preceded by a plus sign, the departmental disciplines can be accessed by clicking on the sign.

The catalogues are listed under the name of the unit.

If the department has not posted a catalogue on WebOodi, you can click on the links to the right of the department's name to browse the instruction and courses that the department offers.
